

# Carpet Bonnets

## Excel

High profile bonnet designed for maximum absorption utilizing looped-end, fine strand yarn. Extra dirt and soil holding capacity. Recommended for heavier pile carpets where moisture levels are high. Packed 6 per case.

## Titan

Medium profile bonnet popular for its aggressive cleaning power, the Titan contains scrubbing strips of monofilament fibers for deep cleaning action. Packed 6 per case.

## Merit

Low profile bonnet ideal for scrubbing applications on large carpeted areas. Its tight weave design makes it floor machine friendly, reducing time and labor costs. Excellent for use on resilient flooring. Exceptionally durable and easily laundered when soiled. Packed 6 per case.

Size	Excel Code	Titan Code	Merit Code
13"	610313	610213	610113
15"	610315	610215	610115
17"	610317	610217	610117
19"	610319	610219	610119
21"	610321	610221	610121
23"	610323	610223	610123

## Hand Spotting Mitt

Ideal for use in hand scrubbing carpets or for cleaning nooks, stairways, small closets and upholstered furniture. The spotting mitt is 8" in diameter and has an opening for inserting the hand. It can also be used as a bonnet on 8" machines.

Code: 610208, 6 per carton.

# Corn Brooms

## Corn Brooms

Our brooms feature top quality broom corn blended together with sotol fibers and produced by expert craftsmen. Made with No. 1 grade handles and sewn with extra heavy, polyester cord. Painted finish is standard. Clear, lacquered finish is available on request. All brooms, except lobby and toy brooms, are poly-sleeved and packed 12 per carton. Lobby and toy brooms are bunched and bagged.
