

# Dust Mops

# Laundryable

Dust control is an essential ingredient of any floor maintenance program. In addition to protecting floor surfaces and finishes by removing and controlling dust and debris, the program also protects equipment from damage due to dust and dirt build-up. Contaminates are picked up by and quickly circulate through air handling systems. Air systems that circulate contaminated air pose a real threat to a healthy environment.

Paragon dust mops are available in many sizes, styles and yarn types to meet the requirements of a planned system of dust control.

## Everset - Heat-Set Cotton

A professional grade dust mop that meets the highest industry standards. Its 100% cotton yarn has been heat-set so it will not untwist or fray even in high-temperature laundering. Combined with our superior construction, Everset will perform better, look newer and last longer than conventional dust mops. Natural yarn with a yellow backing is standard. Blue, green or white backing is available on request.

Size	Natural Yarn
5" x 12"	727512
5" x 18"	727518
5" x 24"	727524
5" x 30"	727530
5" x 36"	727536
5" x 42"	727542
5" x 48"	727548
5" x 60"	727560
5" x 72"	727572

## Marathon - Premium All-Cotton

The Marathon is the industry standard dust mop. Its natural, long staple, fine strand yarn is expertly stitched to a backing of high-grade, preshrunk, blue synthetic material. Marathon is also available in blue or green blended yarns with color coordinated backing.

Size	Natural Yarn	Blue Yarn	Green Yarn
5" x 12"	730512	7315122	7315123
5" x 18"	730518	7315182	7315183
5" x 24"	730524	7315242	7315243
5" x 30"	730530	7315302	7315303
5" x 36"	730536	7315362	7315363
5" x 42"	730542	7315422	7315423
5" x 48"	730548	7315482	7315483
5" x 60"	730560	7315602	7315603
5" x 72"	730572	7315722	7315723

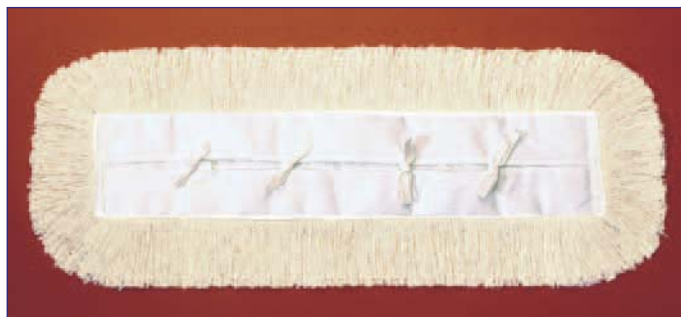

## Charger - Heat-Set Nylon

A high-quality, durable dust mop that works without the addition of chemical treatment. Made of 100% heat-set nylon yarn, movement across a floor surface initiates the yarn's electrostatic properties to quickly attract dust particles. These properties are retained throughout the life of the mop, even with intensive laundering. Available in high-luster yarns of blue or green with matching backing colors.

Size	Blue Yarn	Green Yarn
5" x 12"	7415122	7415123
5" x 18"	7415182	7415183
5" x 24"	7415242	7415243
5" x 30"	7415302	7415303
5" x 36"	7415362	7415363
5" x 42"	7415422	7415423
5" x 48"	7415482	7415483
5" x 60"	7415602	7415603
5" x 72"	7415722	7415723

# Dust Mops

## Matrix - Economy Cotton Blend

Designed for performance and longer life at an economical price. Fringe made from a blend of cotton and synthetic yarn is sewn to a pristine, white polyester backing. Standard features include open-back styling and tie closures for ease of mounting and dismounting.

Size	Natural Yarn	Blue Yarn	Green Yarn
5" x 12"	720512	7215122	7215123
5" x 18"	720518	7215182	7215183
5" x 24"	720524	7215242	7215243
5" x 30"	720530	7215302	7215303
5" x 36"	720536	7215362	7215363
5" x 42"	720542	7215422	7215423
5" x 48"	720548	7215482	7215483
5" x 60"	720560	7215602	7215603
5" x 72"	720572	7215722	7215723

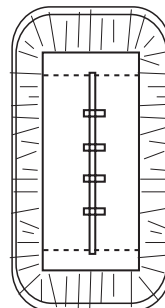

## Varsity - Deluxe Cotton Blend

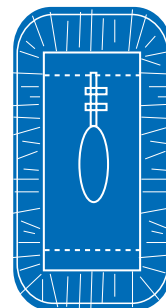

A product designed to provide an extra-full dust mop at a lower cost than our premium grade models. Fine strand yarn, made of cotton and synthetics, is sewn to a tough, 100% white polyester backing. Varsity is an open-back style with folded and hemmed edges for extra strength and durability. Tie closures are standard.

Size	Natural Yarn	Blue Yarn	Green Yarn
5" x 12"	722512	7235122	7235123
5" x 18"	722518	7235182	7235183
5" x 24"	722524	7235242	7235243
5" x 30"	722530	7235302	7235303
5" x 36"	722536	7235362	7235363
5" x 42"	722542	7235422	7235423
5" x 48"	722548	7235482	7235483
5" x 60"	722560	7235602	7235603
5" x 72"	722572	7235722	7235723

- All dust mops are available in 3<sup>1</sup>/<sub>4</sub>" sizes by changing the fourth digit of the product code to 3.
- Looped-end fringe is available on all Marathon, Varsity and Matrix dust mops. To order, add the letter "L" to the end of the product code.
- Antimicrobial additive is available on all dust mops.
- Dust mop treatment is standard on disposable dust mop products. It can be ordered as an option on all other dust mops.
- Tie closures are standard. Snaps available on request.
- Keyhole style backing is standard on all Everset, Marathon and Charger dust mops. Backing styles available are shown on the above table.

# Disposable Dust Mops

## Flatfoot - Pretreated

Flatfoot disposable dust mops are the right choice when maximum economy is needed and laundering is not required. With proper care and re-treatment, this product can cover more than one million square feet. Its flat surface allows maximum contact with the floor. Absorbent, pre-treated, high loft yarn and full-length dust traps provide extra dirt-holding capacity. The backing is made of tough, nonwoven Lutradure in an open-back style with tie closures. 5" models feature double dust traps while 3 1/4" models have single dust traps.

## Flexi-Roll - Pretreated

A 40 foot, continuous roll of pretreated, disposable dust mop material is designed to allow cutting to any desired length by the user. Flexi-Roll has an aggressive, universal backing material that works well with all hook and loop style holders. For best results, we recommend our Quik Set holder for a super strong, instant lock-up.

Yarn	Code
Natural	712400
Blue	7124012
Green	7124013
Orange	7124014
Red	7124016

## Quik Set Hook and Loop Holder

Quik Set holders are designed to be used with our Flexi-Roll dust mop products. Constructed of tough PVC plastic, they feature a built-in saddle to accept any standard dust mop handle. Fitted with three rows of aggressive attaching hooks along the base, Quik Set holders will instantly lock up with our Flexi-Roll's full width loop backing or with any competitive, continuous roll product.
